# SIXTY-SIXTH ANNUAL REPORT

of the

Board of Managers of the Halifax School for the Blind,  
Halifax, N. S.

**Introduction:** The Managers of the Halifax School for the Blind take pleasure in submitting to the Corporation and to the public of the Maritime Provinces and Newfoundland their report for the school year ended June 30, 1936.

This report is necessarily of a very general nature. Details as to the School's finances are found in the Treasurer's Statement, and the Superintendent's Report gives particulars as to the workings of the School in its several departments.

**Supervision:** The members of the Board take a keen interest in the School, not only as to its value as a centre of education for the visually handicapped, but in the physical, moral, and spiritual well-being of the large body of young people for which it is responsible.

**Health:** During the year under report the general health of the School was particularly good. While the factor of good fortune enters more or less into the health of our School, we believe a very important factor is the watchful care of our resident nurse and her assistant. We are particularly indebted to our visiting physicians, Doctors F. V. Woodbury, C. W. Holland, and W. G. Colwell, for their services so generously given.

Necessarily, in a school such as ours, particular care must be given to eye conditions, and for this care as well

as for conditions of ear, nose, and throat, we are indebted to the services of Doctors R. E. Mathers, A. E. Doull, and A. Ernest Doull.

To the Dalhousie Dental College and the Dalhousie Health Centre the School is deeply indebted for valuable services and cooperation throughout the year.

**Property:** Considering both comfort and hygiene we believe the residence and school buildings to be in first-class condition; but we foresee the necessity at an early date of extensive repairs, particularly to the older buildings.

Immediately after the close of the school term the wooden floors of nine bathrooms and toilets were replaced by sanitary tile flooring, the plumbing of these rooms renovated, and new fixtures supplied where required. In addition, a completely new bathroom was built in and fitted up for the use of the staff of the Junior Department.

Contrary to general opinion, this School, instead of requiring little artificial light, must be specially well lighted. A large number of our pupils, known as "sight saving pupils," have some useful vision, and this vision must be safe-guarded by every possible means. Recently, therefore, the lighting in our class-rooms has been greatly improved by increasing the wattage of the lamps, lowering them to a better position, and enclosing them in fixtures of an improved type.

**Staff:** The Board wishes to extend its thanks to Mr. Chesley Allen, Mrs. Allen, and all members of the staff for the able and painstaking manner in which they have carried out their duties during the year. It is with extreme regret that we have to report the death of Mr. J. Hollis Lindsay, Principal of our Music Department. Mr. Lindsay was the head of this Department for sixteen years, and his loss is very much regretted by everyone connected with the School.

**Acknowledgments:** The Board gratefully acknowledges the following bequests and donations:

Mr. E. F. Stevens, Halifax, N. S. ....	10.00
Mrs. Sylvia Ross, Bangor, Maine. ....	25.00

In addition to the important services already mentioned the Board wishes to acknowledge:

The unsparing service and expert attention of Mr. Walter A. Stech, Chartered Accountant, in the auditing of the School's accounts;

The work of the Junior League of Halifax in transcribing into Braille Latin texts for our university students and juvenile stories for our younger pupils, and for a vast amount of reading of text-books to advanced students;

The contributions of many friends to our annual Christmas Fund, and to the prize list at our June closing;

The services of volunteer workers from the various churches who assist in the religious instruction of our pupils;

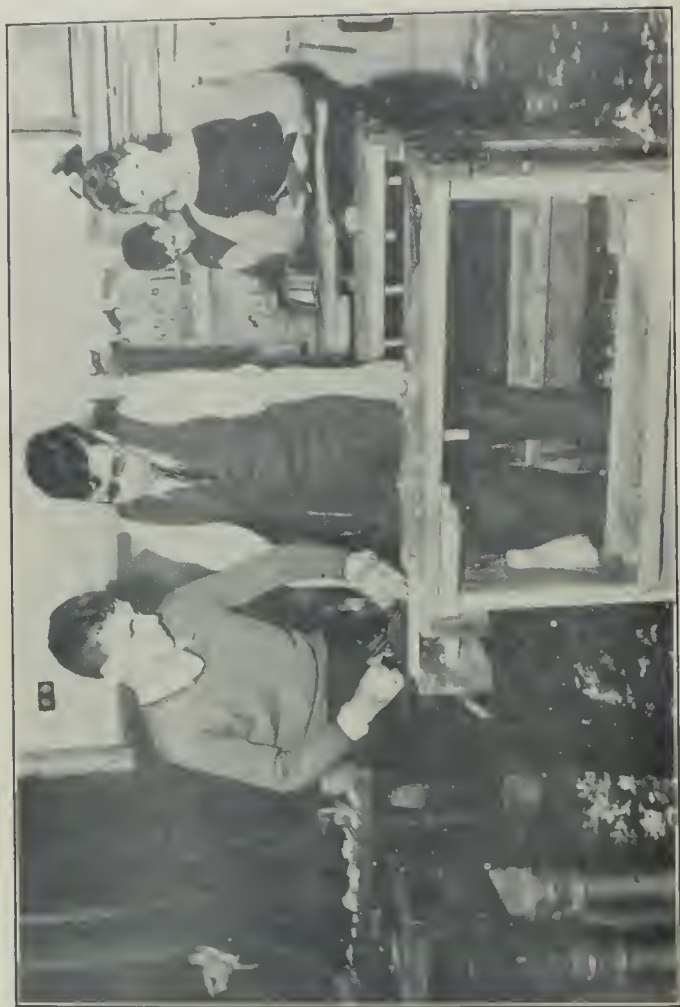

The interest of the Girl Guides' Association which is responsible for conducting an efficient troop in the School;

The many favours shown by the press of the Maritime Provinces and Newfoundland;

And the interest and encouragement of all who have in any way contributed to the well-being of the School.

**Closing:** In closing I should like to impress upon everyone who reads this report the importance of cooperating with the School in the work it is doing. This can best be done by reporting to the Superintendent any children who are known to have insufficient vision to benefit by attendance at the public schools. Even at this late date there are people in our Maritime Provinces who are not aware of the valuable work this School is doing, and the importance of having visually handicapped children take advantage of its privileges at an early age.

## HALIFAX, N. S.

### Superintendent's Report

MR. JOHN W. BROOKFIELD,  
President, Board of Managers,  
Halifax School for the Blind, Halifax.

Sir:

June 30, 1936, brought to a close another school year, and what your Superintendent believes to have been a year of valuable service to the visually-handicapped youth of the Maritime Provinces.

During the year there were 171 pupils registered, and actually in attendance for all or part of the year. They were geographically distributed as follows:

	Boys	Girls
Nova Scotia . . . . .	61	59
New Brunswick . . . . .	27	23
Prince Edward Island . . . . .	0	1
	—	—
Grand Total . . . . .	88	83
		171

Of these, 34 were new to the year and distributed as follows:

	Boys	Girls
Nova Scotia.....	11	13
New Brunswick.....	4	6
Prince Edward Island.....	0	0
	—	—
	15	19
Grand Total.....		34

From the preceding year, (1934-35), 36 graduated or discontinued attendance:

	Boys	Girls
Nova Scotia.....	15	10
New Brunswick.....	9	1
Prince Edward Island.....	0	1
	—	—
	24	12
Grand Total.....		36

In our Literary Department we had pupils in all the regular lower and high school classes excepting Grade X and two additional classes, known as Special Class Senior and Special Class Junior, for older and younger pupils unfitted for the regular classes. Distribution in classes was as follows:

	Boys	Girls
Post Graduates.....	2	1
Grade XI.....	1	8
Grade IX.....	4	6
Grade VIII.....	8	4
Grade VII.....	8	7
Grade VI.....	7	7

In addition to the above officially registered pupils, nine graduates of the School were attending Dalhousie University. These were:

Thomas E. Hinch, Halifax.	Fourth Year.
George MacLeod, St. George, N. B.	Fourth Year.
Lowell Legge, Robinson's, Nfld.	Third Year.
Merton Margison, Woodstock, N. B.	Third Year.
Enzor Thomas, Bayfield, N. B.	Third Year.
Delmar Amiro, Lr. East Pubnico, N. S.	Second Year.
Willa Reid, Cassilis, N. B.	Second Year.
Roy J. Lucas, Halifax.	First Year.
Ivan Gillis, Halifax.	Special Classes.

Those of our university students whose homes are not in Halifax were given their board and lodging at the School in exchange for certain services which they rendered, such as supervising of study classes, and coaching of retarded or otherwise needy, specially-selected pupils.

I am pleased to record the following items of progress among recent graduates of the School:

Ella Deveau, Woodvale, N. S., Iris Marriott, Halifax, and Catherine Frost, Argyle Sound, N. S., have recently, through the kind cooperation of Moirs Limited, been given employment in their packing department.

Ruth Connors, Charlottetown, P. E. I., has been placed in charge of a concession stand at the Halifax Infirmary.

Milburn McArthur, Goldboro, N. S., and Colin McAulay, Birch Grove, N. S., have opened small stores, each in his own locality.

John Ramsay, Newcastle, N. B., has taken on the regular selling of newspapers, in addition to his piano-tuning business.

These placements and enterprises, with one exception, were made possible through the efforts of our sister organization, the Maritime Division of the Canadian National Institute for the Blind.

Beatrice Deveau, Glace Bay, was married last August to Mr. Edward Carlson, Glace Bay. We extend to them our best wishes for a long life of happiness.

In our Music Department 69 pupils, or forty per cent of our registration, received individual instruction in piano, pipe organ, or vocal music. We are continuing to follow the courses laid down by the Trinity College of Music, London, and our pupils are regularly examined in both practical and theoretical work by the examiner sent out from that school. During the year the following Trinity College Examinations were passed:

*Theory of Music, Higher Local Division—*

Ivan Gillis, Halifax, N. S.	(Honours)
-----------------------------	-----------

*Theory of Music, Senior Division—*

Ariel Watson, Saint John, N. B.	(Merit)
---------------------------------	---------

*Theory of Music, Junior Division—*

Rital LeBlanc, Fox Creek, N. B.	(Honours)
Mary Pothier, Wedgeport, N. S.	(Honours)
Hazel Pothier, Wedgeport, N. S.	(Honours)
Ethel Wilson, Derby Junction, N. B.	(Honours)
Mary Zinck, Hebb's Cross, N. S.	(Honours)
Maureen Hollands, Halifax.	(Honours)
Lillian Mooers, Milton, N. S.	(Honours)

*Piano Playing, Junior Division:*

Nelson Amiro, Middle East Pubnico, N. S.	(Merit)
Maureen Hollands, Halifax.	

*Organ Playing—*

Ivan Gillis, Halifax. Won the degree of Licentiate, Trinity College of Music.

It should be recorded, too, that Ivan Gillis, at the second Maritime Musical Festival, held in Halifax in May, 1936, won for the second year the cup for piano solo in his age group.

At the close of the year in June, Miss Mae Colborne, a graduate of the School, who has been a very efficient and successful teacher of piano music for five years, severed her connection with the staff, and is now residing in Halifax as Mrs. William Baker. The vacancy on our staff was filled by the appointment of Miss Ariel Watson of Saint John, N. B., one of our recent graduates. Miss Watson has shown a marked musical ability and aptitude in the teaching of piano playing.

It is with profound regret that we have to record here the death of John Hollis Lindsay, L. T. C. L., Principal of our Music Department for sixteen years, 1920-1936. He passed away, quite unexpectedly, at Vogler's Cove, Lunenburg Co., September 12, 1936. Mr. Lindsay was born in 1885, son of the late John Lindsay of Woodstock, N. B. He entered the Halifax School for the Blind in 1895 and graduated from the Music Department in 1904. He then attended the American Conservatory of Music, Chicago, for three years, graduating as gold medallist of his class. While in Chicago he played in the Chicago Symphony Orchestra. In 1908 he settled in Truro as organist and choir-master of St. Andrew's Presbyterian Church. In 1910 he was appointed head of the department of Music of Ricker Institute, Houlton, Maine, and resigned from that position to come to the Halifax School for the Blind in 1920. During his period of service

here, Mr. Lindsay brought honour to himself and the School. His personal enterprise, ability, and ambition acted as an object-lesson and an inspiration to our pupil body.

Your Superintendent is more and more convinced of the importance of our manual training departments, using the term in its broader sense, and including piano tuning for the boys and household science for the girls. It is in classes for manual instruction, whether woodwork, caning, cobbling, sewing, knitting, reed-work, or cooking, that many boys and girls, discouraged and confused, make their first steps of progress into a new realm of self-confidence.

At the beginning of the new school year, September 1936, Mr. Enzor Thomas of Bayfield, N. B., was appointed as assistant instructor in our Boys' Manual Training Department. Mr. Thomas is a graduate of our own School, (1933). He has definite manual ability, and "a way with boys" that should be of distinct value to the School.

The Superintendent wishes to acknowledge his deep appreciation of the faithful services of volunteer workers in the various churches in the city, and of the Mother Superior and her co-workers in the Convent of the Sacred Heart for the religious training of our pupils.

Another outstanding service to our work was that rendered by a large group of members of The Junior League of Halifax. One section gave many hours a week reading prescribed books to our university students and another group, who had made themselves sufficiently proficient in the writing of Braille, prepared a number of juvenile stories for the entertainment of our junior pupils.

Following the close of the School term in June, the Superintendent, with Mrs. Allen, attended the biennial convention of the American Association of Instructors of the Blind held at Raleigh, North Carolina.

Immediately following the convention we started our regular summer's field work. This was the ninth year that this work has been carried on. Families were visited all over Nova Scotia from Cape North to the southern tip of Shelburne County, and throughout the length and breadth of New Brunswick.

In all, 125 cases were personally investigated. These may be divided into five groups as follows:

- (A) 26 eligible pupils who have since been admitted.
- (B) 24, who may be classed as future eligibles.
- (C) 17, who may be called future doubtfuls, the decision in most cases depending upon whether the amount of vision these children now have improves or progresses downward.
- (D) 49 were found ineligible on account of having too much vision. In this large group we were certain that the services of a good specialist would clear up the difficulty in many cases, and urged that parents have these services rendered. In ten cases where it was quite obvious that the family finances would not permit expert treatment, arrangements were made through the Canadian National Institute for the Blind to have this done without cost to parents.
- (E) 9 were found to be ineligible for reasons other than having too much vision.

In addition to the foregoing, the homes of many of our present pupils were visited. I am sure that these visits make for better understanding and fuller cooperation between school and homes.

I wish to acknowledge the continued hearty cooperation of all members of the staff, and a growing spirit of friendliness and good-will on the part of our pupils, particularly shown in the desire to help pupils who are newly entered.

Respectfully submitted,

E. CHESLEY ALLEN,

Superintendent.

# HALIFAX SCHOOL FOR THE BLIND

## General Information

**Territory:** While known as the Halifax School for the Blind, this school really serves the blind of the Maritime Provinces and Newfoundland.

**Eligibility for Admission:** Any person resident within the above mentioned territory, between the ages of six and twenty-one years, who has insufficient sight to make proper use of the public schools, who has sufficient mentality to benefit by literary or industrial training, and who is of good moral character is eligible as a pupil. Special arrangements are also made for the admission of worthy and otherwise desirable applicants over the age of twenty-one.

While it is desirable that pupils should begin work at the opening of the school in September or January, pupils may be admitted at any time.

**Expense:** To pupils having a legal settlement in the Maritime Provinces or Newfoundland the School is absolutely free as to board lodging laundry and training. Pupils are expected to pay their own travelling expenses and supply their own clothing and smaller personal needs.

**Housing:** Our pupils and staff are housed in comfortable buildings, hot water heated and electric lighted. Every precaution is taken against fire menace, and a regularly employed watchman patrols all parts of the buildings every hour of the night.

**Health:** The health of the pupils is under the care of a permanent resident nurse and four regular visiting physicians. In addition the School has the services of an expert oculist, and

every effort is made not only to safeguard but to improve as far as possible the amount of vision possessed by some of our pupils.

**Religious Advantages:** The School is positively non-sectarian. Pupils are required to attend in supervised groups the services of city churches representing the denomination stated on the original application forms, and no deviation is allowed from this policy except on written request of parents or guardians. Religious instruction in Sunday School classes is carried on in the school by volunteer workers who come in from the pupils' own churches, and every effort is made to facilitate the performance of the religious duties of all pupils in their chosen creed.

**Educational Training:** The educational system of the School falls into three departments Literary, Music and Manual Training.

**Literary:** In the Literary Department the entire regular school course is covered from kindergarten to the end of the third year of high school work. In addition pupils are given a course in practical typewriting. While the great majority of our pupils are taught to read and write Braille (the raised point system used by the blind) a smaller number, whose degree of sight warrants it, are permitted a limited use of ink print and pencil work. Four diplomas are granted from this department: Common School, High School First Year, High School Second Year, High School Third Year.

**Musical:** In the Musical Department pupils receive thorough training in piano music, a limited number receive individual vocal instruction, and selected pupils instruction in playing the pipe organ. Diplomas or certificates are given in accordance with the work covered. Regular and efficient classes in chorus singing are conducted for both older and younger pupils.

A very important department of instruction is that in pianoforte tuning, and diplomas are given to men who satisfactorily complete this course.

**Manual Training:** In the Manual Training Department instruction is given in woodwork, broom-making, brush-making, mattress-making and repairing, shoe repairing, cane-seating, reed basketry, rug-weaving, sewing and knitting. Certificates are granted to graduates in accordance with the courses covered.

Excellent classes in physical drill for both girls and boys are conducted by trained instructors.

**Maintenance:** The School is maintained by per capita grants from the three Maritime Provinces and Newfoundland, by the income from a small endowment, and by public donations.

**Management:** The affairs of the School are under the direction of a board of twelve members, which holds regular monthly meetings and the members of which take a keen personal interest in the welfare of the institution and its pupils. The Provincial Secretary of Nova Scotia and the Premiers of New Brunswick, Prince Edward Island and Newfoundland are ex-officio Managers. The School's finances are kept by modern business-like methods, are audited annually by a chartered accountant, and the financial statement published in the regular annual reports. Visitors are invited to inspect the School at any time, and a keener interest on the part of the public is solicited.

E. CHESLEY ALLEN,  
Superintendent.
